# Trust In What We Do *And Who We Do It For*

## ▶ **Products** *We Prove It.*

Earning your trust begins with proven products. Our bone substitutes, collagen membranes and matrices set the standard for scientific validation and clinical reliability in oral regeneration – and have for decades.

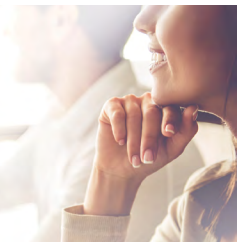

## ▶ **Process** *We Own It.*

Earning your trust is a dedicated process. From raw material to final product, Geistlich is in control. You can trust our single source manufacturing process to deliver the quality you expect.

## ▶ **People** *We Live It.*

Earning your trust is a shared commitment. Around the world, the dedicated doctors, scientists and biomaterial professionals at Geistlich have made regenerative excellence their life's work.

## ▶ **Patients** *We Guarantee It.*

Earning your trust creates an undeniable bond. We are inspired by the trust you have earned from your patients. Comfort and confidence grow naturally when time, attention and common goals are shared.

## THE GEISTLICH GUARANTEE

*“On behalf of the Geistlich family and all of our employees, I want you to know that your trust is by far our greatest asset. In every Geistlich product, you’ll find the passion and commitment of our people.”*
